

The **San Francisco Chapter of Canada25**,
in association with the **Canadian Consulate General in San Francisco**
and the **International Forum of the World Affairs Council**,
invites young Canadians (age 18-35) in the SF Bay area to participate in:

Canada25's San Francisco Bay Area

Policy Roundtable on Civic Engagement

from 12PM-6PM on Saturday, November 12th, 2005.

Please register early.

Space is limited, and registration for this event is required.

This event is one in a series of local roundtable events being held across Canada and in select international locations, as part of Canada25's National Policy Project on Civic Engagement. The focus of this roundtable will be Civic Engagement Across Borders in North America.

Participants will engage in small group discussions on a variety of aspects of Civic Engagement in Canadian society. For this SF Bay Area roundtable, discussion topics will include a specific focus on the desired role and participation of ex-patriot Canadians in Canadian civil society.

The perspectives and ideas presented by the participants will be incorporated into Canada25's *National Public Policy Document* on Civic Engagement, which will be presented to the Government of Canada, as well as local governments and relevant NGOs. (Canada25's previous Policy Documents can be viewed at www.canada25.com/policy.html.)

For further information and to register, please contact
Event Director Rebecca Murrant at:

Canada25.SF@gmail.com or (650) 796 4813

Directions to the event will be provided upon registration.
